AGREEMENT

0. RECITALS

0.1 Preamble

0.1.1 The general purpose of this Agreement is to provide for orderly and constructive employee relations in the public interest and in the interest of the employees herein covered and the City of Albuquerque, as Employer; to maintain harmony, cooperation and understanding between the Employer and the Employees in the bargaining unit; and to afford protection of the rights and privileges of all Employees in the bargaining unit and the Employer.

0.1.2 The Employer, the Union and its members agree to work cooperatively to comply with this Agreement and to administer this Agreement in accordance with its terms and provisions to the end of maintaining sound labor relations. The Union staff representatives and Local labor representatives may meet with the Human Resources Department, upon reasonable notice, to prevent, clarify or resolve problems with contract interpretation.

0.2 Authority

0.2.1 This Agreement is hereby made and entered into by and between the City of Albuquerque (hereinafter referred to as Employer) and the American Federation of State, County and Municipal Employees, AFL-CIO, Local 1888, as representatives of the employees of the Albuquerque Officers Association (AOA) employed by the City of Albuquerque (hereinafter referred to as Local 1888 or Union).

0.3 Agreement Control

0.3.1 This Agreement has been negotiated in accordance and compliance with the Employer's Labor-Management Relations Ordinance and the laws of the State of New Mexico. If there is any conflict between the Agreement and the Labor-Management Relations Ordinance, the Ordinance shall control. If there is any conflict between this Agreement and the Employer's Merit system Ordinance, department standard operating procedures, policies or Personnel Rules and Regulations, this Agreement shall control.

0.4 Recognition

0.4.1 The Employer recognizes AFSCME Council 18, Local 1888 A.O.A., AFL-CIO, as the exclusive bargaining agent for all non-probationary employees of the City of Albuquerque in the following public safety classifications as defined in the declaration signed by the Chief Administrative Officer and the Chief Public Safety Officer:

- 0.4.1.1 Department of Municipal Development Security Officers
- 0.4.1.2 Animal Services Officers
- 0.4.1.3 Parking Enforcement Officers
- 0.4.1.4 Transit Security Officers

1. GENERAL LABOR/ MANAGEMENT PROVISIONS

1.1 Dues Check-Off

1.1.1 During the life of this Agreement and upon receipt of a voluntary authorization for dues deduction card, the City will deduct from the pay of each Employee who has executed an authorization card, membership dues levied by the Union in accordance with its constitution and by-laws. The Union will provide dues deduction and termination cards. Termination cards must be signed by the Union President or designee. An Employee wishing to terminate their dues may do so during the first seven (7) business days of January.

1.1.2 The City agrees to forward to the Local 1888 Treasurer all dues withheld pursuant to valid authorization cards. Dues withheld will be forwarded to the designated Union Treasurer for each payroll period. The City will be notified in writing as to whom the designated Union Treasurer is by elected Union President.

1.1.3 The Union shall indemnify, defend and save the City harmless against any and all claims, demands suits or other forms of liability that shall arise out of or as a result of any conduct taken by the City for purpose of complying with this section.

1.1.4 Employees may authorize for payroll deduction amounts over the minimum dues levied by the Union by submitting a written voluntary request on an approved form.

1.1.5 Employees promoted to a position outside the bargaining unit will be withdrawn from Local 1888 membership provided the employee notifies the City and the Union in writing.

1.1.6 On request of Local 1888, the employer agrees to furnish the Union a list of bargaining unit members on an annual basis. This list shall include the pay, grade, name, address, phone number, date of hire, classification and work location. The addresses and phone numbers shall be provided and used in accordance with the settlement agreement on this issue between the City and AFSCME.

1.2 Union Rights

1.2.1 The employer agrees that Union Officers, staff representatives, and stewards shall have reasonable access to the premises of the Employer after giving appropriate notice and obtaining approval from management in charge of the specific work areas. Such visitations shall be for the purpose of administering this Agreement. The Union agrees that such activities shall not interfere with the operational requirements of the Employer. The Employer will designate a meeting place or will provide a representative to accompany Union officials where significant security requirements exist. Union staff representatives or local Union representatives may request meets as needed to prevent, clarify or resolve a problem.

1.2.2 The funds to cover the cost of Union Time in the amount of \$131,000.00 for use among AFSCME Locals 624 Blue, 624 Transit, 1888 J-Series and 2962-Clerical shall be set aside from the three percent (3%) appropriated by the City for salary increases in FY 2015, in order to fund the recurring cost of Union Time for the above listed AFSCME collective bargaining units. Deductions from this pool shall be calculated using the actual burdened wage rate of the union representative using the time (to include employee insurance, PERA, Retiree Health, Employer FICA portion, Life Insurance, Insurance Admin Fee, and Unemployment Compensation). The Employer shall provide the Union with a monthly accounting of funds disbursed.

The hours spent to perform union business as defined under this section will count as hours worked for the computation of overtime. Only union representatives identified and authorized by the union in advance are allowed to draw on the pool of union time. Such time will be deducted from the pool at the burdened wage rate. The union shall maintain a current list of authorized union representatives with the City. In extenuating circumstances the parties may authorize the addition of representatives to draw from the pool. An authorized representative shall request the use of Union Time at least a minimum of five business days in advance from their respective department; such requests are subject to approval by their supervisor. Requests for Union Time will be accepted verbally, text, email, or by a phone call to their immediate supervisor. Approval shall not be unreasonably denied and shall be denied only in cases of emergency. Where the employer sets a meeting for which Union Time may be used (for pre-determination hearings and grievance hearings), but provides the employee with less than six business days notice, the Employer shall allow the Union to use Union Time for such an event. Where the Employer sets an investigatory meeting for which Union time may be used, 24-hours advanced notice will be provided by the Employer. The Employer shall grant Union Time for Union Representatives to attend these meetings. Parties may waive these deadlines upon mutual agreement.

At any time funds allocated for Union Time become exhausted, authorized union representatives may utilize vacation, compensatory time or elect to take leave without pay to conduct union business with the appropriate amount of advanced notice subject to the supervisor's approval.

For Union Presidents. Union business is defined as business performed by designated union representatives which facilitates the applications of this agreement, assists in employee management matters, resolves conflicts, assists in positive labor/management relations between Employees and the City or which involves matters directly related to representation of the bargaining unit members which are also beneficial to the City of Albuquerque. This shall include preparation for and attendance of pre-determination hearings, grievances, meetings scheduled between the Union and the City, Labor Board filings, and Personnel Board filings. In their absence, Union Presidents may designate persons to use president's time.

For an authorized union representative designated by the Union President, Union business is defined as attending a predetermination hearing requested by a

bargaining unit employee, a grievance hearing when requested by a bargaining unit employee or an arbitration/Labor board hearing, or other matters directly affecting employees represented by the union. Unless otherwise approved by the Human Resources Officer, one (1) steward shall be granted Union time leave with pay for any single hearing. Unless otherwise approved by the Human Resources Director, the steward shall be a bargaining unit employee assigned to the same department to which the affected employee is assigned.

President's Time for Local 1888. The Union President or his/her designee shall be allowed a total of up to 16 hours per week to perform Union business.

1.2.3 Union Steward Appointments.

1.2.3.1 The Union shall appoint stewards and provide the employer with a list of such stewards designated by division, shifts or work units. Local 1888 hereby reserves the right to make any changes of Union stewards at any time so long as the affected department within the bargaining unit is informed within a reasonable period of time.

1.2.3.2 The Union will furnish the employer with a list of all Union non-City employee officials who would have reason to visit the work site. All visits will require that the department heads, division heads or shift supervisor involved have prior notification. Access to premises by non-City Employee Union personnel will have prior approval from the director or designee.

1.2.4 Elections and Appointments. The City will notify the Union of elections or appointments to the City's Labor Relations Board and the Personnel Board.

1.2.5 Bulletin Board

1.2.4.1 The Employer will provide and post a secured, four foot by four foot (4'X4') bulletin board in a location mutually agreed upon by the parties for the display of official Union literature, correspondence or notices. The Union will provide a lock for the board and a key for the lock to the director.

1.2.4.2 The bulletin board will not be used to criticize the Union, any of the Union's policies or any of the Union Officers or management. Literature pertaining to management will be given to the director or designee prior to posting.

1.3 Employer Rights

The parties incorporate by reference all rights reserved to the City as set forth in Sections 3-2-5 and 3-2-7 of the City's Labor-Management Relations Ordinance.

1.4 Labor Management Meetings

1.4.1 The Union and the Employer shall conduct Labor-Management meetings at mutually agreed upon times and places.

1.4.2 Labor-Management Committee meetings shall consist of at least two (2) Union representatives in each department. On or off duty time shall be utilized and will be designated upon mutual agreement prior to a meeting. The Committee shall normally meet on a monthly basis.

1.5 Bargaining Unit Information, Accretion

1.5.1 If the City creates a new job classification that the Union believes should be incorporated into the Union's bargaining unit, the Union may request the opportunity to meet with the City to discuss the Union's intent. If the parties do not agree on the issue, the Union may appeal the issue to the City's Labor Board in accordance with the City's Labor-Management Relations Ordinance and the Labor Board's Rules and Regulations.

1.6 Tracking Devices

1.6.1 The City and the Union agree to meet at least twice a year to review and evaluate the safety, security and effectiveness of all tracking devices used in this bargaining unit.

1.6.2 Both parties agree to meet prior to implementing any new policy in other departments on tracking devices.

2. PAY PROVISIONS

2.1 Pay Schedules

2.1.1 For the fiscal year from July 1, 2019 through June 20, 2020, bargaining unit employees' hourly rate of pay will be increased as reflected below, effective on the pay period immediately following ratification and signature of the agreement, or on the first full pay period following July 1, 2019, whichever occurs later.

Security, Animal Control, and Parking Enforcement Officers

For FY/20 - Current Union Employees hourly wage change will be as follows:

Current Hourly Wage between \$16.00 to \$16.99 will be in Step 2

Current Hourly Wage above \$17.00 will be in Step 3

Salary Schedule

STEP	2	3
GRADE: J12	17.33	18.01

2.1.2 Unless the Union invokes the wage reopener under Section 40.5.1 of this Agreement, bargaining unit employees' hourly rate of pay may increase by the amount, if any, appropriated and approved by the City Council, and any increase effective the first full pay period after July 1, 2020.

2.1.3 As required by law and ordinance, all economic terms are subject to annual appropriation of the amounts set forth in the Agreement by the City Council, including but not limited to appropriation in the Budget Resolutions for the Fiscal Year in which an increase in compensation is set forth in this Agreement. There shall be no retroactive compensation benefit in this Agreement.

2.1.4 Pay Equity

The City and the Union (the Parties) desire to ensure that employees, including bargaining unit members, are compensated equitably for their work and have a process to recommend to the Chief Administrative Officer (CAO) changes in pay rates. The final decision to change pay rates is with the CAO. If one or more bargaining unit employee(s) is paid less than one or more employee(s) who holds the same job title, the CAO may increase, but not decrease, the pay rate of the lesser paid employee(s) at the CAO's discretion. Increases shall be only at the steps set forth in this Contract. Failure to provide such an increase shall not be grievable, except as below.

When the Wage Review Committee makes a recommendation for a bargaining unit employee(s) to the CAO to increase the pay rate of one or more bargaining unit employee(s) the Wage Review Committee's recommendation, comparable employee information, and supporting documentation, excluding any privileged material, will be provided at the same time to the Local President and AFSCME Staff Representative by email. For ten (10) business days, the Local President or Staff Representative may provide written comments or a recommendation to the CAO or her designee regarding the recommended increase. After receiving the written comments or recommendation from the Local President and/or Staff Representative, or the expiration of the ten (10) business days, the CAO may decide in her discretion to implement or not implement a wage increase. The time limit herein for the Union to submit its comments may be extended by mutual agreement of the Parties.

If the Union does not offer written comments or a recommendation within the 10 business days, and the CAO accepts or denies the recommendation, the Union has waived its right to grieve. If the Union offers a written recommendation and the CAO accepts, the Union will not file a grievance. If the CAO does not increase any employee's pay, the Union will not file a grievance. If the CAO's decision differs from the Union's recommendation and results in an increase, the Union President or Staff Representative may grieve. If the CAO decides to increase the pay of some employees but not others in one decision, and the Union recommended an increase in pay for the employees that did not receive an increase in that decision, then the Union President or Staff Representative may grieve. The only grievance procedure applicable for this provision is FMCS

arbitration. The Union will have thirty (30) days to make a request for a panel from FMCS. The Parties will share equally the costs of arbitration.

This provision is not an admission that any law or policy has been violated. This provision does not change an employee's right, if any, to challenge a decision of the CAO in a lawsuit.

2.1.5 Bilingual Pay

2.1.5.1 Only those languages recognized by the City of Albuquerque Human Resources Department shall qualify for Bilingual Pay.

2.1.5.2 An officer shall qualify for Bilingual Pay upon demonstrating an acceptable level of conversational proficiency, as determined by the City of Albuquerque Human Resources Department.

2.1.5.3 An officer who passes the conversational portion of the test administered by the City's Human Resources Department shall receive \$10.00 of Bilingual Pay per pay period. The test will be job related as determined by the City's Human Resources Department.

2.1.6 Employees permanently assigned to the Swing Shift will receive twenty cents (.20) per hour shift differential pay and thirty cents (.30) per hour shift differential pay for permanent assignment to Graveyard Shift.

2.1.6.1 Swing and Graveyard Shifts will be defined by each department.

2.2 Longevity Pay for Members

2.2.1 Employees will receive longevity pay as follows:

<u>Period of Service</u>	<u>Pay Period</u>
5 through 9 years of continuous service	\$ 28.07
10 through 14 years of continuous service	\$ 50.00
15 through 19 years of continuous service	\$ 75.00
20+ years of continuous service	\$ 100.00

2.2.2 Employees reaching new longevity thresholds during the contract will be paid the rates printed in the contract.

2.3 Overtime

2.3.1 The City shall prepare, maintain and post up-to-date voluntary lists by seniority order within each department within the bargaining unit. It will be the responsibility of each Employee to provide two (2) current phone numbers for the purposes of being contacted for overtime work. Employees may use pagers or cell phones for their point of contact. In the Security Division, an Employee shall

be provided five (5) minutes to respond to the contact prior to the time the supervisor offers the overtime to another employee.

2.3.2 Each Employee will be allowed to sign up for voluntary overtime during the regular shift bid. The voluntary overtime lists shall remain in effect until the next scheduled shift bid. Names shall not be added after the bid unless the name(s) is approved in writing by the Union President. Names will be 'penciled in' by the Employee until new lists are generated.

2.3.3 There shall be a voluntary list(s) for each shift in each department.

2.3.4 Employees may sign up for overtime on any and all overtime shift list(s) within their respective department.

2.3.5 If no Employee on the overtime list is available, involuntary overtime will be required. Involuntary overtime will be assigned in reverse order of seniority from the master seniority list. Officers already on duty will be required to remain on duty until a replacement is obtained. If no replacement is obtained within three hours of the start of the shift, the holdover Officer may be required to work the remainder of the shift. The City shall not order an Officer to work more than two (2) overtime assignments Saturday through Friday, which include minimum manning and JV overtime.

2.3.6 When there is ordered overtime, the department will keep a list of Employees contacted during the shift. This will insure to the Employee that was ordered that the department attempted to obtain relief in accordance with section 2.3.5 of this article. If the Union provides reasonable notice to the Department, a Union request to receive a copy of the list will be honored in a timely manner.

2.3.7 For the purpose of computing overtime, paid leave will be considered time worked.

2.3.8 Voluntary overtime will be assigned on straight seniority order. Although the City may determine that it is necessary to assign a second shift to an Officer who is assigned overtime on the Officer's day off, the City shall attempt to avoid this circumstance. Should such a circumstance arise, the City shall attempt to work an Officer no more than one of the two consecutive days off. An Officer's assignment to a second shift on the Officer's day off shall not be subject to the grievance procedure unless the assignment violates another provision of this Agreement. If an Officer has approved vacation in conjunction with their days off, s/he shall not be ordered overtime for any of their consecutive days off.

2.3.8.1 Unless otherwise agreed to by the City and the Union, beginning July 1, 2020, Section 2.3.5 and 2.3.8 shall revert to the language contained in the Agreement in effect August 4, 2018, through June 30, 2019.

2.3.9 Employees will not work more than sixteen (16) hours straight time except for declared emergency situations.

2.3.10 Employees who are off duty and called in for a minimum manning overtime assignment shall receive a minimum of two (2) hours pay at the applicable rate. If overtime is to be worked on the same day as contacted, time shall commence two (2) hours prior to the start time of the assignment and shall comply with Section 2.3.12 of this Agreement. The City agrees to pay the assigned overtime employee two (2) hours of pay at the applicable rate: time and one-half (1.5X) for all hours worked in excess of forty (40) hours per week; straight time for all hours worked at forty (40) hours or less. For the purpose of computing overtime, paid leave will be considered time worked.

2.3.11 Employees assigned to a minimum manning post may request a specific work assignment when working overtime. Management will attempt to accommodate these requests. Minimum manning is defined as manning all posts, areas, or assignments with the least number of officers to cover each shift.

2.3.11.1 When assigned to a minimum manning overtime, City Security Officers and Animal Control Officers on the voluntary overtime list will be allowed to "bump" an officer who is assigned to a post that the Officer requests for overtime.

2.3.11.2 The parties recognize the Union's right to meet and confer with the City's Chief Administrative Officer and Chief of Public Safety on public safety issues concerning the Union and its members.

2.3.12 An Employee who accepts voluntary minimum staffing overtime shall have the option of canceling such overtime six (6) hours prior to the start of the overtime assignment except in an emergency situation. The City will have the ability to cancel minimum manning overtime assignments for employees up to six (6) hours prior to the start of the overtime assignment pursuant to Section 2.3 of the CBA.

2.3.12.1 The City may cancel minimum manning overtime at least six (6) hours prior to the start of an overtime assignment. Should the City cancel minimum manning overtime assignments for employees at least six (6) hours prior to the start of the overtime assignment, the City will not compensate the affected employee(s).

2.3.12.2 If the City cancels a minimum manning overtime assignment less than six (6) hours prior to the start of the scheduled overtime, the City agrees to pay the assigned overtime employee two (2) hours of pay at the applicable rate: time and one-half (1.5X) for all hours worked in excess of forty (40) hours per week; straight time for all hours worked at forty (40) hours or less. For the purpose of computing overtime, paid leave will be considered time worked.

2.3.13 Captains, lieutenants, sergeants and corporals shall be the only personnel authorized to order overtime. In case of an emergency, captains, lieutenants and sergeants may delegate responsibility for placing calls for overtime to Officers. However, the captains, lieutenants and sergeants ordering the overtime shall be responsible for assuring compliance with the required

contractual overtime procedure. Calls for overtime shall be placed from a secure area that is not open to residents or the public.

2.3.14 This policy is hereby implemented to establish the conditions under which Journal Voucher (JV) Overtime assignments will be offered to Security Officers and Parking Enforcement Officers employed by the City of Albuquerque's Municipal Development Department.

2.3.14.1 Any department that offers Journal Vouchers (JV) will call such overtime in Seniority Order from the seniority lists from each Department. If no volunteers accept the overtime voluntarily in seniority order, then the department will call involuntary Overtime, in reverse seniority order, from each department list that requires Journal Voucher (JV) Overtime.

2.3.14.2 Officers shall be authorized to apply for and accept JV Overtime assignments for themselves only. An Officer may not apply for or accept a JV Overtime assignment for another Officer.

2.3.14.3 An Officer who is unable to work a scheduled JV Overtime assignment shall be responsible for finding a replacement Officer and communicating this action in writing via email for hard copy to the JV Overtime supervisor, with a copy to the Union President. Officers shall be limited to giving away five (5) Overtime assignments during each bid period. A secondary list containing names and contact numbers of officers wishing to have an opportunity to accept a JV assignment that had been previously assigned will be created and given to all officers covered by the agreement. The officer and his replacement officer shall be held accountable in accordance with § 2.3.14.7, below, if the overtime assignment is not fulfilled by either the officer or the replacement officer.

2.3.14.4 Parking Enforcement Officers will be called in seniority order to accept Journal Voucher (JV) Overtime assignments for UNM Football games and basketball games. Officers can give away up to five (5) overtimes per bid period. If the accepting officer cannot find a replacement officer to work the overtime, except for purposes of an emergency, he or she must work the overtime.

2.3.14.5 A Security Officer or Parking Enforcement Officer who does not comply with this Policy, written or verbal directives related to this Policy or the JV Overtime assigned duties as directed by the Security supervisor will be subject to the JV Overtime Suspension as set forth in §2.3.14.7 below.

2.3.14.6 While assigned to JV Overtime, an Officer shall comply with reasonable requests and directives from Vendor representatives. The assigned Officer shall at all times work cooperatively with Vendor representatives. In the event a conflict arises between the Officer and the Vendor representative, the Officers on duty or the on-site Supervisor will be notified.

2.3.14.7 An Officer who fails to comply with this Policy, written or verbal directives related to this Policy or the JV Overtime assigned duties shall be subject to the following suspension/disqualification guidelines:

2.3.14.7.1 First offense: letter of advisement.

2.3.14.7.2 Second offense within one (1) calendar year of the date of a missed assignment or other infraction: thirty (30) day suspension from JV Overtime eligibility.

24. DISCIPLINE and INVESTIGATIONS

The revised deadlines in Section 24 shall become effective for facts arising on or after July 1, 2020.

In this Agreement, City Business Days ("CBD") means Monday through Friday, excluding Holidays as recognized by the Chief Administrative Officer.

24.1 Investigations

24.1.1 The parties agree that investigations of disciplinary actions shall be conducted in a manner that affords the Employees involved an environment that is conducive to problem solving. Union concerns over investigations may be initially addressed to the Department Director. It is acknowledged by the parties that it is the responsibility and obligation of the City to investigate charges of employee misconduct.

24.1.2 If the employer decides to conduct an investigation the employer shall submit a written notification of investigation to the effected employee no later than twenty (20) CBDs after the employer knew or reasonably should have known of the act for which the investigation is being initiated. For the purposes of this section, the employer is defined as the department director or his or her designee. Any supervisor who knows or reasonably should have known of the act which is being investigated must immediately notify the department director.

For investigations initiated on or after July 1, 2020, the City shall submit such written notification of investigation to the effected employee no later than fifteen (15) CBDs (and no later than ten (10) CBDs effective January 1, 2021) after the employer knew or reasonably should have known of the act for which the investigation is being initiated. During the investigation phase, the City will inform an employee if they are the target of the investigation or a witness. During the investigation phase, the City will provide a target with a summary of what occurred, and what City rule or policy may have been violated; such as "there was an accident on [date] at [location], and we are investigating whether you violated City rules regarding safe driving." A witness will be provided with a summary of what occurred.

The City's provision of this information does not limit the scope of the City's investigation, or the City's ability to ultimately allege different or additional violations in Predetermination Hearing Notice or the investigation, or to begin a parallel investigation making a witness a subject. The Union Representative ("UR") will be provided a copy of the Notice of Investigation, by the City or the employee, when requested. Should a witness become a target, the original investigation timeline shall be retained for the original act(s), and a new investigation timeline commences for the new target, unless the Union and City agree to broaden the initial investigation.

24.1.3 The Employee shall have the right to have Union representation during the investigative, pre-determination and grievance process. The parties agree investigations should be completed as quickly as possible. The investigation shall normally be concluded within a fifteen (15) workday period. The City may extend the investigation beyond the fifteen (15) workday periods provided the City has a compelling reason(s) for the extension. The reason may include, but will not necessarily be limited to, a homicide, riot, narcotics violation or an excessive force case. At any time during the investigation, the Union and/or the affected Employee may request a status report on the investigation. The request shall not

be denied. Employees under investigation may be placed on administrative leave with pay during the pendency of the investigation.

For investigations initiated on or after July 1, 2020, the following shall apply.

24.1.3.1 The investigation shall normally be completed within forty-five (45) calendar days from the date an employee receives a notice of investigation. If the Employer determines that an investigation needs to be extended beyond the forty-five (45) calendar day limitation, the Employer may unilaterally extend the investigation up to an additional forty-five (45) calendar days by submitting a written notice of extension to the employee no later than forty-five (45) days after the employee received the initial notice of investigation. The affected employee or the Union, if designated by the employee, may request periodic verbal status reports on the investigation from the City. The request will be granted provided the City shall not be required to provide information that might jeopardize the investigation process.

The Employer will inform targets and witnesses when an investigation is closed and no further action or discipline will be taken.

24.1.4 Honest Employee and witness testimony is a central ingredient to the establishment and maintenance of an internal investigation process that is characterized as one that has integrity, efficiency and fairness. Each Employee or witness shall be free from inappropriate interrogatories during any investigation. Each Employee shall provide information that is truthful during an investigation. Upon the completion of the investigation the employee will be notified as to whether the charges were sustained or not sustained.

24.1.5 If disciplinary action is contemplated following the investigation the employee will be presented with the charges and provided an opportunity to respond to the charges prior to determining whether any disciplinary action will be taken.

24.2 Disciplinary Actions

24.2.1 A Pre-Determination hearing shall be convened to determine the facts regarding allegations against an Employee which may result in disciplinary action other than a verbal warning, oral counseling, a letter of instruction or a letter of advisement/caution. The Employee shall have reasonable notice, but not less than four (4) days notice, of the scheduled pre-determination hearing. A pre-determination hearing notice shall list the charges against the Employee and will include all discovery against the Employee. The City shall assure Union access to the Policies and Procedures Manual for the purpose of representing an Employee with a pending Pre-Determination hearing. Within ninety-six (96) hours of the pre-determination hearing, the Employee will be allowed an opportunity to review all evidence against the Employee. If an Employee is ordered to prepare a written document that describes an incident that eventually leads to an investigation of the Employee's behavior, the Employee, upon request, shall be

provided a copy of the letter. The letter shall be provided to the Employee before the Employee is required to submit a written answer to any charges filed against the Employee by the Department.

For Pre-Determination Hearing Notices based on facts arising on or after July 1, 2020, the following shall also apply:

24.2.1.1 The Pre-Determination Hearing Notice will include a term substantially similar to the following:

“Should the complaint be substantiated by the evidence, or if this Notice is not contested, then Management would contemplate a discipline of _____. This does not limit Management’s ability to recommend, or the Management’s ability to impose, discipline up to and including termination should the evidence warrant.”

24.2.1.2 The City will have twenty (20) CBDs to issue a Pre-Determination Notice, measured either from the end of the investigation period (45 to 90 calendar days), or another term agreed to by the parties.

24.2.2 In the event disciplinary action is taken against an Employee other than the issuance of an oral warning, the employer shall promptly furnish the Employee in writing a clear and concise statement of the reasons therefore. For discipline initiated on or after July 1, 2020, the City will have twenty-five (25) CBDs to issue a Notice of Final Action measured from the Pre-Determination Hearing. Unless an extension is agreed to by the Union and the City or the substantiated conduct implicates Title VII of the Civil Rights Act or the New Mexico Human Rights Act, no discipline may be issued after any missed discipline.

24.2.3 Nothing in this section shall prevent the Employer from disciplining or discharging Employees for just cause.

24.2.4 When disciplinary action is to be imposed, progressive discipline will be considered when it appears that the merits of the case would lend itself to this procedure.

24.2.5 When possible, criticism of Employees and management will be in private, away from the public and other Employees.

24.2.6 An Employee may propose in writing to management a level of discipline the Employee will accept for an offense prior to management imposing disciplinary action. If management accepts the discipline proposed by the Employee, the issue will be considered settled and the action will not be grieved.

25. GRIEVANCE and APPEAL PROCEDURES

25.1 Grievance Procedure

25.1.1 Nothing in this Agreement shall prevent any Employee from instituting or pursuing any grievance in his/her behalf without the assistance of the Union. The City and the Union agree to work together to make efforts to resolve grievances

at the lowest level. The Union must be notified at the filing of all grievances by the Employee.

25.1.2 The aggrieved Employee may have representation at any time or step in the grievance procedure of disciplinary action.

25.1.3 As a condition of employment, Employees are required to appear as witnesses in grievance hearings when requested by the aggrieved Employee or by the City. Requests for the appearance of witnesses will be made through the Department of Human Resources. Any Employee called as a witness during working hours shall be paid at the Employee's regular rate. The Employee will be required to return to work when he/she is no longer needed as a witness. Employees called as witnesses during time off shall be paid at straight time for the time spent at the hearing by whichever party is requiring the Employee to appear.

25.2 Grievance Steps

25.2.1 A grievance shall be defined as an alleged violation of the Agreement.

25.2.2 Prior to filing a written grievance, an Employee shall informally discuss the grievance with the Department Director or the Director's designee within ten (10) workdays after the commission or omission of the act. The Parties may extend the time limits by mutual agreement. The failure to have the informal meeting will not void the grievance nor prevent the Union to proceed to file a Step I Grievance.

25.2.3 A grievance shall be considered null and void if the grievance is not filed in writing at Step One within ten (10) workdays after the informal discussions with the Department Director or the Director's designee that generated the grievance.

25.2.4 Step One: If the Employee is not satisfied with the results of the informal meeting, the Employee may file a written grievance with the Department Director no later than ten (10) workdays after the informal discussions with the Department Director or the Director's designee. The Department Director or the Director's designee will submit a written response to the grievance to the Employee and the Human Resources Director no later than ten (10) workdays after the Department Director received the grievance. The Department Director shall also send a copy of the response to the Union President.

25.2.5 Step Two: If the Employee is not satisfied with the Department Director's written grievance response, the Employee may appeal the grievance in writing to the Human Resources Director no later than ten (10) working days after receiving the Director's written response. The Employee shall submit a copy of the appeal to the Union and then to the Human Resources Director. The Human Resources Director shall convene a meeting to discuss the grievance within fifteen (15) workdays after receiving the grievance. The Employee may have a Union representative attend the meeting and the Department Director may be represented by a person of the Department Director's choice. No later than ten (10) workdays after the close of the meeting, the Human Resources Director

shall issue a written finding to the Employee, the Union and the Department Director.

25.2.6 If the Union and the Employee are not satisfied with the Human Resources Director's written finding, the Union may appeal the grievance to the City's Labor-Management Relations Board within thirty (30) days after receipt of the findings.

25.2.7 The time limits set forth herein shall be considered maximums. The parties may only extend the time limits by executing a written extension. If a grievance is not filed or appealed by the Employee or Union in a timely manner, the grievance shall be considered null and void. If the City does not respond to a grievance in a timely manner, the grievance shall automatically be appealed to the next step.
